## Career Objective

Diploma student in Computer Engineering with hands-on experience in web and chatbot development. Passionate about creating impactful applications and eager to apply technical and leadership skills in internships and projects.

## Education

**Government Polytechnic, Pune** | Diploma in Computer Engineering | Expected 2026  
Semester I: **83.35%** | Semester II: **82.70%** | Semester III: **90.28%** | Semester IV: **87%**  
Current Aggregate: 85.8%  
SSC – 90% (2023)

## Projects

1. **Travel Agency Website (HTML, CSS, JS) | Jan 2024**  
Built a responsive pastel-themed website with travel packages (₹), nearby 5-star restaurants, Instagram integration, and booking form.
2. **Word Analyzer (Python) | Sept 2024**  
Developed a text analysis tool to count words, characters, and most frequent terms.
3. **Event Registration Chatbot (Botpress) | Aug 2025**  
Designed an interactive chatbot to automate event registrations and manage participant queries.
4. **Yojana Doot App (Android + Firebase) | Ongoing, Aug 2025**  
Mobile app to help users find government schemes, scholarships, and benefits in one platform.
5. **Public Transport Tracking Web App (React, Firebase) | Ongoing, Sep 2025**  
Developing a real-time bus tracking solution for small cities to improve commuter convenience.

## Leadership & Volunteering

**Hackathon Leader (2025):** Led two hackathon teams, managing project design and development under tight deadlines.

**Volunteer – Gyan Setu (2025):** Contributed as a volunteer, conducting workshops and mentoring students in coding and technology.

## **Skills**

- Programming Languages: Python, Java, C, C++, JavaScript, HTML, CSS, IoT
- Frameworks & Tools: Microsoft Office, GitHub, Firebase, Android Studio
- Databases: MySQL, Firebase Realtime Database, SQLite
- Languages: English, Hindi, Marathi, Japanese (beginner)

## **Certifications & Achievements**

- Python Programming – IIT Bombay Online Session
- IoT Fundamentals – Infosys Springboard
- SQL Essentials – Infosys Springboard
- HTML & Web Design – Great Learning
- Dancing Award at Nrutya Malhar
- Led two hackathon projects (2025)

## **Hobbies & Interests**

Learning foreign languages (Japanese), mentoring juniors, exploring UI/UX design, contributing to open-source projects, and volunteering in social work.
